

THE FIRMS STRUCTURE

OUR TEAM

Ayoola Tokunbo Onajide, BA (Hons), Manchester Dip (Hon) Arch, RIBA, MNIA, SAIA Registered in the United Kingdom, Nigeria and South Africa.

He was born in Hull, Yorkshire, England in 1958, returned to Nigeria with his parents in 1961, and went back again in 1976. Having trained and worked in the United Kingdom, he returned to Nigeria in 1984. His various experiences are brought to bear on a practice he established in 1988 to continue his personal commitment to practice Architecture at its highest level.

Ayo Onajide is a director of A. T Onajide Architects Ltd, which employs a staff of 8 architects, 2 quantity surveyors, 1 systems engineer, and 6 administrative staff, with offices in Nigeria, South Africa and the United Kingdom. He has designed and supervised a large range of buildings from complex to simple: aviation, commercial, housing, recreational projects for a variety of clients, a list of which includes Shell, Mobil, Chevron and Bristow Helicopters. In the last 5 years, Ayo led a team of Project Managers on a major Nigerian government project to rehabilitate Health and Educational Institutes in the Western Region of Nigeria. Ayo Onajide has been a Diocesan Architect of the Lagos Diocese of the Anglican Church of Nigeria from 1994 to date.

He is a keen golfer and trumpeter. He is also a member of the Ikoyi Club 1938, Lagos Lawn Tennis Club, Polo Club and the Motor Boat Club and the Chartered Institute of Directors.

Iheanyi Eslaba joined the firm in October 1989. He became a Director of the firm in 1996. Iheanyi has a Masters degree in Architecture obtained in 1989 from Obafemi Awolowo University. He is a member of the Nigerian Institute of Architects and a registered member of the Architects Registration Council of Nigeria (ARCON). IE as he is called has been responsible for design of Airport structures and terminal buildings; he has also managed several projects as a team leader. He is solely responsible for our clients in the Transportation/Aviation sector. These include multinational oil, gas and chartered airline companies.

Ekaete (Bassey) Fajah was born in London, England in 1967. She went to Queens College in Lagos and started her 'A' levels at Queen Ethelburga's School, Harrogate, England, but cut this short to accept admission into the University of Nigeria's School of Architecture where she obtained a Masters degree in Architecture. She is a member of the Nigerian Institute of Architects and registered with ARCON. Ekaete is a strong project and design Architect who has won several design competitions. She is a keen writer and has published several articles on Architecture of Old Calabar. Her experience ranges from master planning estates to design and management of commercial projects. She is responsible for multinational Oil and Gas companies and local financial institutions. She joined the firm at the beginning of 1994 and became a director of the firm at the end of 1998.

She cycles and plays Lawn Tennis for leisure.

She loves reading, writing, Music, and Indoor games.

Ugo Idam joined the firm in year 2000, after a master's degree and a second class upper degree in architecture from the University of Nigeria, Enugu Campus. She has acquired a varied experience in design and project management, working with oil and gas companies, financial institutions and commercial property developments. She is a member of Nigerian Institute of Architect.

Her interests include music, writing, drama, costume design and travelling.
